

## A New Awakening For Every Cell

Start With SuperFood Barley Stem Cells  
Go Beyond Organic To Optimized...

**#1 Energy #2 Health #3 Cellular Protection**

• Only GaiaThera's Barley Gold Is Uniquely  
Low Temp UltraMicronized For Smooth Easy Mixing  
And Fast Maximum Utilization!

Even regular barley isn't just a grain,  
it is a SuperFood.

For example, even in its typical form  
it contains 50 times the amazing  
trace mineral germanium of other  
foods and grains. Many of us believe  
these unique nutrient profiles in  
barley account for its highly unique  
and reknowned health promoting  
nutritional results — results beyond  
mere analysis and label numbers.

### Into The Future

In the future there is an optimized  
barley grown from scientifically  
selected individual seed grains...

Grown on perfect, organic, non-GMO  
soil — in an ideal clean environment in  
northern Alberta, Canada... Then that  
perfect clean soil is nutrient  
optimized... The grain is grown to per-  
fection for a treasure filled harvest...  
Then again scientifically selected,  
sprouted and carefully crafted... Then  
low temp milled and standardized  
through GaiaThera's ideal micro-  
nization process for easy mixing and  
quick absorption.

• **RAMP UP** — This Is A Power Product  
with a natural ability to super nourish cells  
by living nutrients crowding out dead toxins.  
Please treat your body with reverence and  
do not overwhelm your ability to eliminate  
years of cellular toxins.

Do not rush this process. Begin with 1/2 tsp  
per day, the first week.

Go to 1 tsp per day the second week.

Two tsp per day the third week.

Three tsp per day the fourth week.

Maintain 4 tsp per day per 150 pounds of body  
weight, increasing day by day to discover  
your own personal optimum amount.

Best taken with breakfast. Go for a booster  
serving in the afternoon or before exercise.

Shake into 8 to 12oz of good cool water  
and/or juice for a super juice cooler — or,  
in a blender add a banana, fruit and ice for  
a refreshing SuperSmoothie.

You can also stir it into your yogurt, your  
applesauce or cereal.

• **STORAGE:** Best within 6 months of opening  
Travels well at room temp. Protect from light,  
moisture, oxygen, heat and time — your  
fridge/freezer door is ideal. Close bottle quickly.
